COUNTY NEWS IN REVIEW

Wild West

Advertising the San Mateo county Fiesta-Rodeo at Bay Meadows September 21-24, the San Mateo junior chamber of commerce announces a county-wide Western Dress-Up campaign, starting September 9.

Cash prizes for the best costumes, and also for winners in the Whiskerino contest, will be awarded at the annual Fiesta Fandango, Saturday, September 16, in the San Mateo junior college gymnasium.

Taxes and Relief

The board of supervisors last week adopted a 1939-40 basic county tax rate of $1.1316, up 8.96 cents from last year.

"Social service and welfare activities have increased the tax levy by $160,000 in this budget," declared Secretary-Manager Scott of the Civic League of San Mateo county. "Of that increase, $19,000 is in WPA co-operation, $10,000 for unemployment relief, and some $130,000 for social service. If these increases had not been granted, we could have had a tax rate of less than $1.

"Forty-six per cent of all expenses is for some form of welfare, pensions, or relief, and the total expense includes the 'dead horses'—the bonds."

WPA Wage Cut

Works Progress Administration employees in San Mateo county face a wage cut of from $11.70 to $3.90 monthly under a new wage

SM FIESTA TO DISPLAY GARDENIAS

E. W. McLellan Nursery To Supply 5,000 Flowers

A giant display of more than 5,000 freshly-picked gardenias will be entered by E. W. McLellan nursery of Colma in the San Mateo county Fiesta flower show at Bay Meadows, September 21-24, according to Chester Lipman, secretary-manager.

The McLellan nursery is one of the local nurseries which distributes its products on a nation-wide basis. Other Daly City and Colma nurseries will also be well represented at the Fiesta.

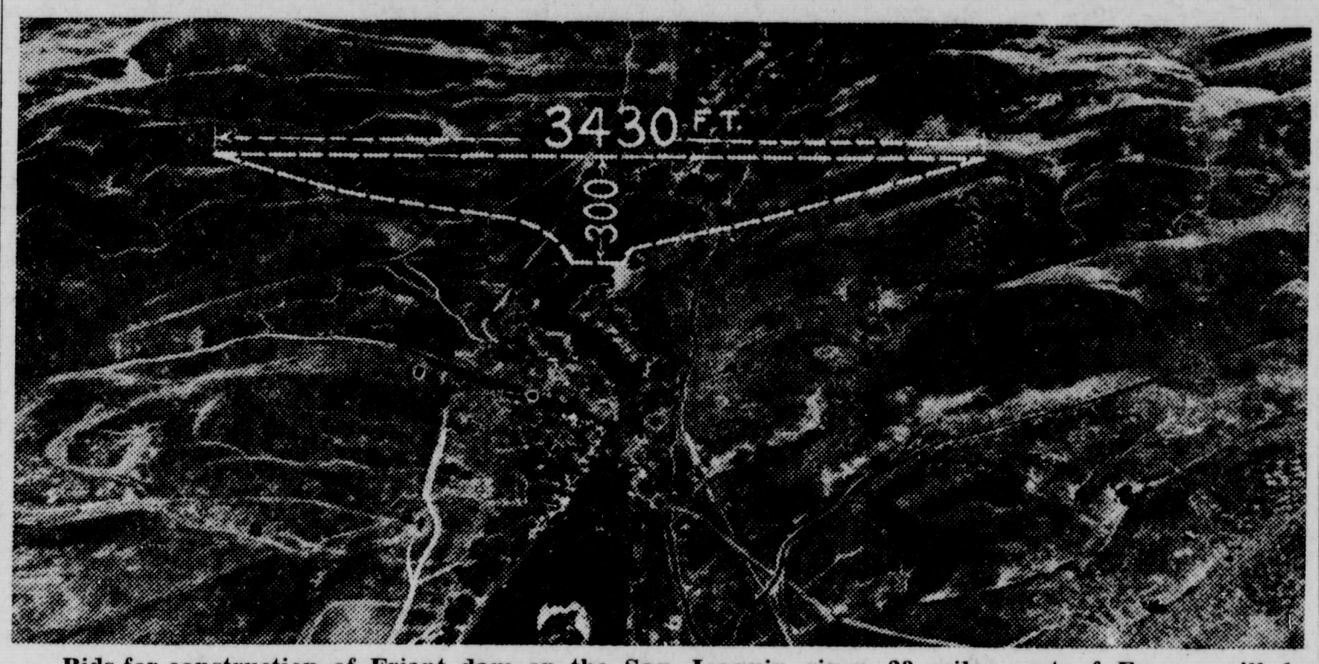
From the Avansino-Mortensen nursery at San Bruno a virtual cascade of orchids will be entered in the flower show at the Fiesta—$25,000 worth of the fragile queen of flowers.

Evidence that this year's Fiesta will be the most spectacular flower show in the West was produced by Lipman, who said that there are more entries filed to date than there were two weeks prior to the show last year. Every one of the participants is planning unusual display arrangements, he said.

Other entries have been received from the H. Plath and company nursery, Redwood City, which is constructing a huge framework on which to group the largest display of chrysanthemums ever seen; the Cypress Lawn nursery, which plans an exhibit of roses and the Roy Wilcox company of Montebello which will show tropical and sub-tropical plants seldom seen in northern California.

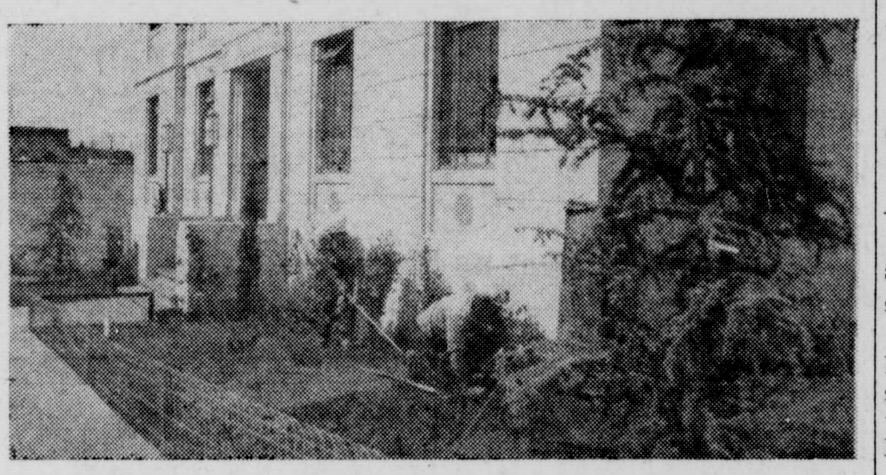
In the non-commercial classes, several well known estates in the county have signified their intentions of entering the Fiesta show. Each of the estates has its own special landscaping expert who will utilize waterfalls, native trees and shrubbery to achieve informal garden effects.

Government Opens Bids on Giant California Dam



Bids for construction of Friant dam on the San Joaquin river, 23 miles east of Fresno will be opened today at Sacramento. The structure will create a reservoir of 512,500 acre-feet of irrigation and flood reduction and will shortly relieve acute shortages of ground water supplies in the area.

Beautify City Grounds



Front view of new city hall showing August Conci, proprietor of Lake Merced Nursery, and his assistant at work landscaping the site at Wellington avenue and Irvington street. In the right foreground is a Cedar Atlantica Glanca. One of these trees is planted at each front corner of the new building and Irish Yews were put in on each side of the front entrance.

Shrubbery and begonias are planted close to the building and the lawn is bordered with lobelias. The grass, a combination of blue grass, red top, and chewing fescue, is starting to sprout this week.

Recreation Dept. Holds Open House

Daly City Recreation department of the WPA will hold open house from 2 to 5 p. m. Friday at the Jefferson Union high school, according to Enid F. Tandy, director.

During the afternoon, visitors are invited to inspect the usual summer activities of the Recreation department, both inside and out. Interesting exhibitions are promised, and a large crowd is expected.

State Commission Approves Gas Fund

City Engineer Julius F. Castelan announced today that he had received a memorandum of agreement from the State Highway Commission Monday for the quarter cent gasoline tax for the maintenance of major streets in Daly City, including the cost of cleaning. This item is expected to save the city a substantial sum each year and to open the way for further reductions, he said.

The $3,000 appropriation for the repair of Brunswick street, was also officially approved.

City Engineer To Attend Conference

Julius F. Castelan, city engineer, will represent Daly City at the conference of the Pacific Coast Building Officials in Oakland, October 3-6, it was announced today.

It was also learned that Castelan had been appointed a member of the entertainment committee for the convention. The building officials will convene at the Hotel Oakland.

Four New Permits Issued In D. C.

Four more permits were granted this week for the erection of homes, according to City Engineer Julius F. Castelan.

Already started is the construction of a $6,000 service station at Como and Mission streets by Joseph Carr, who formerly operated a service station at the corner of Acton and Mission streets in San Francisco.

A lath house, to serve as a plant nursery for the city, was completed last week at the Niantic pump house, Niantic and Citrus

Man Killed By Hit-Run Speedster

Struck down by a speeding hit-and-run driver for whom a widespread search was immediately launched, George S. Akers, 54, Fresno, California, was killed instantly at 11:30 p. m. Friday as he was crossing Mission street in Daly City.

Akers, with his daughter and son-in-law, Albert Micheli, Coalinga, arrived at the New San Francisco Auto Court, 6925 Mission street, Thursday, and had spent Friday at the Fair. Returning from a short tour of Daly City shortly before midnight, Akers and his son-in-law started to cross the highway.

"I was walking a step or two ahead," Micheli told Daly City police. "I heard a noise and turned around to see Mr. Aker's body hurtling through the air and a tan automobile speeding past."

Micheli was unable to obtain the license number of the car, which he said did not slow down. The machine was described both as a coupe and a roadster. Although the police gave immediate chase, the automobile was lost in the flow of traffic.

Despite a broadcast alarm, the driver of the death-dealing machine made good his escape.

Micheli was given a flashlight by the local officers to guard the body while they called an ambulance. Akers was pronounced dead upon his arrival at the Villa sanitarium. It was found that he had sustained a basal fracture of the skull, a crushed right leg and a broken pelvis bone, with the left leg also broken at the hip. His body was sent to Fresno Saturday evening.

Meanwhile Daly City police, with the aid of all Bay Area and Peninsula departments, are bending every effort to apprehend the killer.

Death of the Fresno man brought the county's highway toll to 50 for the year, compared with 31 at this time last year. He was the nineteenth pedestrian to be struck down and killed, all of them after nightfall. Akers was also the third auto camp guest to be killed on San Mateo county highways in the last 11 days.

COUNCILMEN VOTE 3 TO 2 FOR PLAN

Exposition Invites Daly City To Have Special Day

"Resolution authorizing the purchase of transit busses and to establish a municipal bus system.

"Resolved: That a municipal bus system be and is hereby established in and for the city of Daly City.

"Resolved further: That the mayor be and he hereby is authorized and empowered to enter into a lease contract agreement for the purchase from National Automobile company of two Ford factory built transit busses. . . "

In this legal terminology of Resolution No. 677 the city council established Monday evening by a 3-2 vote a municipal bus system and provided for the purchase of equipment.

Mayor Selmi, Councilmen Sundermann and Twesten voted in favor of the resolution. Councilmen Cavagnaro and Fahey voted against the resolution and submited a letter explaining their reas-

Figures Show Building Gains

Daly City is doing approximately $2,000 worth more building business per month this year than last year, according to figures released Friday by the Daily Pacific Builder, largest construction daily in the West. Daly City's building activities indicate a steady increase, keeping pace with the general gain throughout the seven Western states covered by the publication.

Statistics showed that there were 25 building permits issued in the month of June, 1939, with a total valuation of $57,410, as against 22 permits in June of last year, totaling $55,335. July figures showed the same favorable balance with 10 permits issued this year, amounting to $16,000, against 6 permits last year, totaling $14,085.

Daly City also compares favorably with other cities of like size, out-ranking most of them in building activities.

Daly City is included every month in the Daily Pacific Builder, according to Julius F. Castelan, city engineer. The Builder has a wide circulation among property owners and buyers, builders, contractors, and finance people interested in building.

Merchants To Stage Dollar Day Event

Friday and Saturday Daly City merchants will stage a gala dollar day event. For more than a week local business houses have been working over their stock, contacting wholesalers, and preparing the greatest parade of bargains ever lined up in Daly City.

The sales event is being timed for the opening of school when clothes, supplies, and foodstuffs are most urgently needed as vacation time draws to a close and the fall term opens. A special dollar day edition of the Daly City Shopping news will be published Friday, packed with values for the bargain-seeking housewife.

Emergency Call

When an emergency arises, the American people act.

When an epidemic strikes, the nation mobilizes to conquer it.

When flood, fire or hurricane roar across the country, millions of dollars and trainloads of food and clothing pour into the stricken area.

If an enemy invaded our shores, every one of us would rush to the defense.

Today we are faced with a national emergency as great as any of these—greater, in fact, because it is less spectacular and arouses less alarm.

This emergency is the rising traffic toll.

A lot of us have had the smug idea lately that we had the traffic problem whipped. Last year the nation cut its death toll 19 per cent. This year started out the same way.

Then something happened. We started stepping on the gas and jaywalking again. Accidents shot up. The safety drive faltered, then bogged down.

And in June, the National Safety council reports, the traffic death toll went up for the first time in 20 months.

In June alone 2,330 people were killed on streets and highways. Eighty thousand others were injured. And the heavy vacation months still are to be heard from!

Is that an emergency or not!

Your help is needed—needed just as much as in fire or flood.

Not your money. Not your time. Not your services.

Just a little common horse sense when you drive and walk!

Auto Dealers Offer Good Trade-In Prices

With vacation time over for the most part, school bells getting ready to ring, and Old Sol set for his Bay area debut, Daly City auto dealers are getting down to the business of moving new cars by offering the largest trade-in prices of the year. Wise buyers know that now is the time to buy a new car.

National Auto company, Mission street, Colma; Ford, Mercury and Lincoln Zephyr agency, congratulates Arthur Baldocchi, 835 Thirty-fourth avenue, on the purchase of a Mercury town sedan; and A. Santo, Half Moon Bay, who purchased a Ford truck.

Belli Motor company, through John Soldavini, general manager of the Buick and Chevrolet agency, San Pedro road, congratulates four new Chevrolet buyers and two Buick purchasers of the past week.

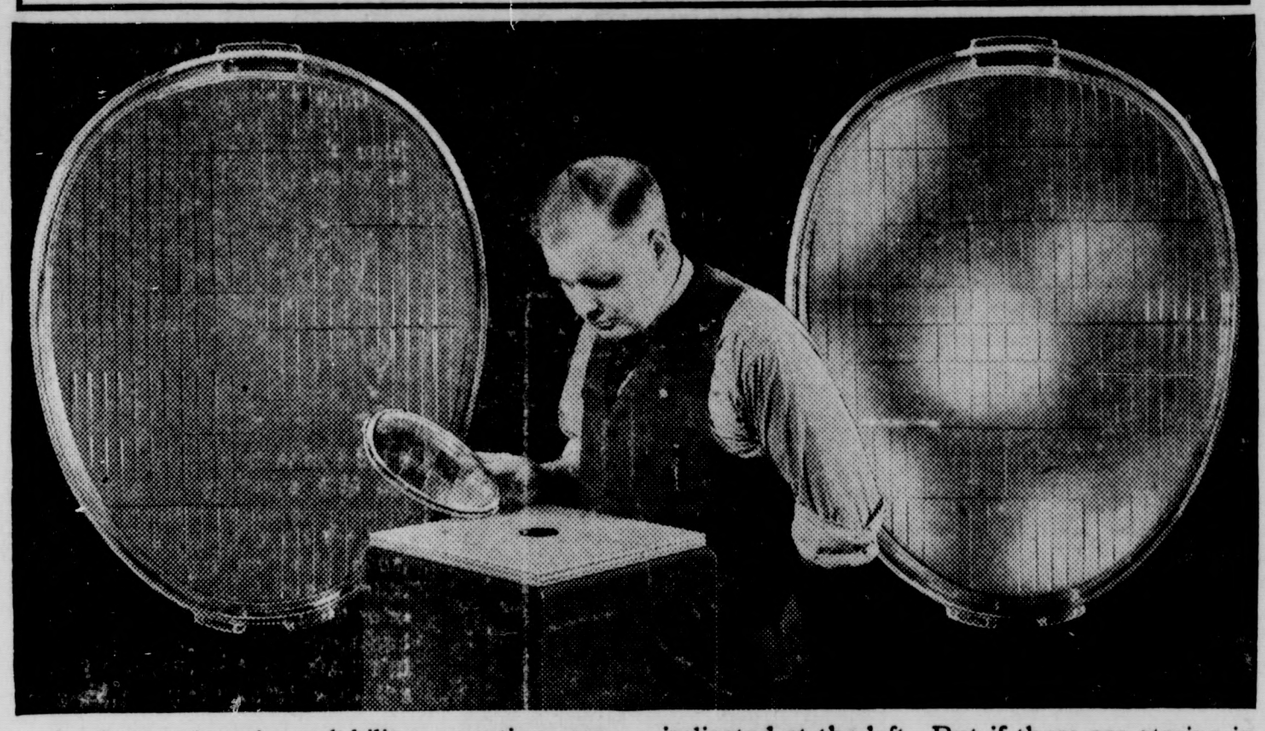
The Mission Auto company, Chrysler and Plymouth agency, 6465 Mission street, congratulates new car buyers of the past week through A. L. Timossi, general manager.

James E. Donahue, De Soto and Plymouth dealer, 6259 Mission street, congratulates Anna Ryan, 1836 Twenty-fifth avenue, San Francisco; Leslie Conlan, 35 Keystone way, San Francisco, both of whom purchased deluxe De Soto sedans; and the City of Daly City, Plymouth commercial express; William St. Clair, 167 Wilson street, Plymouth deluxe sedan; and Hubert Nielsen, 716 Humboldt avenue, San Mateo, Plymouth deluxe sedan.

William J. Sweeney, Studebaker dealer, 6806 Mission street, congratulates a number of new Studebaker owners of the past week.

Pantaleoni Brothers, Dodge and Plymouth dealers, 7046-7054 Mission street, congratulate new car buyers through O. C. Bartens, general manager, including G. Quillici, Pescadero, Dodge truck, and G. Savigli, 63 Cherin street, San Francisco, Dodge deluxe sedan.

Dodge Tests Detect Invisible Strains In Head Lamp Lenses



An interesting dependability operation, carried on by the manufacturers of Dodge cars and trucks, is that by which polarized light is utilized to make ordinarily invisible internal strains, in the glass of head lamp lenses, plainly visible.

Dodge head lamp lenses to be tested are placed on an illuminated viewing screen, between two polarizers so adjusted that the horizontal vibrations of the light beam pass through one polarizer and the vertical vibrations through the other.

Seen through the circular polarizer lens in the top of the test chamber, a perfect head lamp lens assumes a "color" of the even distribution indicated at the left. But if there are strains in the head lamp lens, due perhaps to incomplete annealing, these strains are plainly seen as color changes like those seen at the right. The complexity of the pattern and the depth and extent of the color change indicate the degree of strain. Lenses in which strains are detected, are returned to the annealing ovens for correction.

The purpose of this polarized-light inspection of Dodge head lamp lenses is to protect car owners against lens failure, such as might occur under motoring conditions involving extremes in temperature or prolonged travel over exceptionally rough roads.

Hitler's Book At D. C. Library

Adolph Hitler's "Mein Kampf," the Bible of Nazi Germany, best-seller in the United States, and most-widely discussed of contemporary political documents, is now available at the Daly City library, according to Mrs. Jean O'Rourk, librarian.

Other non-fiction books at the Daly City library which have proved increasingly popular during the last few months include: Bissland: Rock Gardens and What to Grow in Them; Bridgman, The Human Machine; Byrd, Alone; Cleland, History of California: American Period; Copland, What to Listen for in Music; Draper, Story of Astronomy; Gunther, Inside Europe, also Inside Asia; Hoffman, Sculpture Inside and Out; Kirkpatrick, Latin America; Lewis, The Big Four; Rosskam, San Francisco: West Coast Metropolis.

DALY CITY MAN SAYS:
"DODGE LOWER UPKEEP MEANS MONEY IN MY POCKET!"

Mr. Al Raffo, Vista Grande Market, enthusiastic about Dodge Gas Savings!

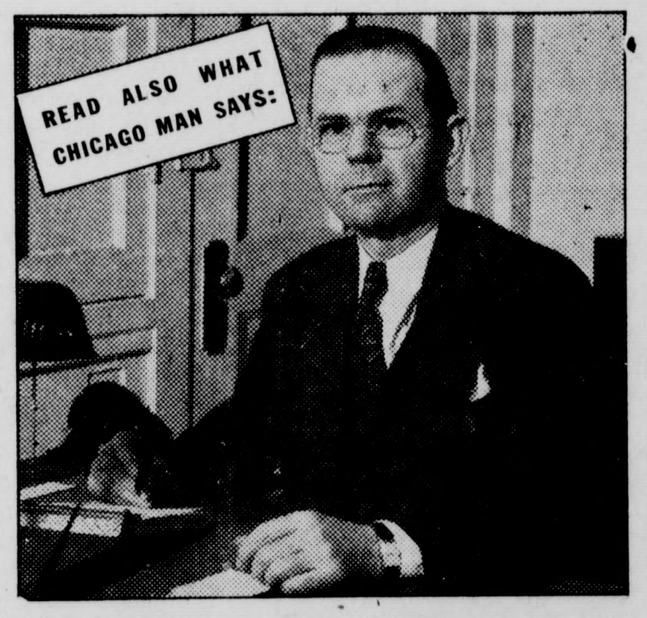
"I'm Mr. Average Motorist," says Al Raffo, "and like thousands of other American auto buyers I looked over the field this year to determine the best car value, and found it in Dodge. Its economy and gas saving is unbelievable. In power, speed, endurance, and comfort my Dodge is supreme."

This is but one example of the money-saving reports coming in from Dodge owners in this city, and in other cities and towns throughout the country. They demonstrate that, although the 1939 Dodge is a bigger car in every way, it still lives up to the famous Dodge reputation for economy!

New Ideas!

Before you decide on any car, go to your Dodge dealer's and take a look at the new Luxury Liner from every standpoint. You'll be delighted with its important new ideas, such as the new handy gearshift at the steering wheel...the new Safety Light Speedometer...new *invisible* luggage compartment, 27% larger...new headlights in fenders for safer night driving...and other improvements you simply must see to appreciate!

And finally, for your greatest surprise, take a look at the price tag! This bigger, finer Dodge actually costs *even less* than last year's Dodge!



"Being an old Dodge owner, I hoped that the 1939 model would continue to be a gas and oil saver, even though it is longer, wider and a much bigger car in every way," says Louis P. Kenny. "And was I pleasantly surprised! *This new Dodge uses less gas than any Dodge I ever owned!* My hat is off to Dodge engineers...they've done it again! This great big, beautiful Dodge is a greater money-saving champion than ever!"

Daly City Unit No. 410, American Legion, will hold a public installation of officers at 8:30 p. m. tonight at Legion hall, with the Forty and Eight ritualistic team conducting the ceremonies.

Distinguished guests who will be present for the Legion's big affair include Past District Commander John Vogt jr. and the newly-installed District Commander, Phil Baker.

The three appointive officers named at the last meeting of the local post, who will be installed this evening include Lesley M. Hill, adjutant; Felix Chapman, service officer, and R. L. Crane, judge advocate.

Other officers to be installed include the following elective officers: Carl Anderson, commander; Adam Shinazy, first vice-commander; Arthur Quirmbach, second vice-commander; Felix Foreman, finance officer; Emil Pahlka, chaplain; Herbert Grieb, historian; Anton Matzek, sergeant-at-arms.

Members of the executive board are Felix Chapman, R. L. Crane, Larry Reilly, Emil Pahlka, and John Matzek.

The public is cordially invited to attend.

Speaking Of Dahlias—

Speaking of dahlias, John N. Pitts, 220 Hillcrest drive, grows them, too.

For more than twenty-five years, Mr. Pitts has been known in Daly City for his beautiful flowers. As early as 1911 or 1912, old-timers will remember, he was awarded first prize for the loveliest garden in town.

Since then, Mr. Pitts' flowers have grown with the town. His dahlias, especially, are his pride. A rare species, which he calls the "1915 World's Fair" variety, grows brilliant velvety blossoms that measure on the average a full 10 to 12 inches across.

Mr. Pitts also has many other varieties of dahlias, making his garden one of the showplaces of the town.

Death Claims Pioneer Resident

Following an illness of a year and a half, Mrs. Mary E. Secor, 86, resident of California for the past 77 years, died last Saturday at her home in Burlingame.

A native of Brooklyn, Mrs. Secor and her husband resided in Daly City, on Los Banos avenue, from 1906 until the time of his death three years ago, after which she moved to Burlingame to be near her daughter.

Mrs. Secor was an active member of the Woodrow Wilson P. T. A. for many years. An ardent music lover, she was herself a fine musician and had much to do with promoting high musical standards in this community.

Surviving is a daughter, Mrs. Bertha J. Conner, Burlingame; two granddaughters, Mrs. C. Agorastos, Burlingame, and Miss Dorothy Conner, San Francisco; three sisters, Mrs. S. A. Botts, Oakland, Mrs. F. H. Stikeman, Santa Cruz, and Mrs. E. L. Taylor, San Francisco.

Funeral services were conducted last Monday afternoon at the chapel in Woodlawn Memorial park in Lawndale. Frank C. Wyckoff was in charge.

Oui, Monsieur— That's Your Baby!

The practical minded government of France, concerned over the fact that the national birth rate is running neck and neck with the death rate, while populations of Germany and Italy are increasing, has taken steps. From now on, bachelors will be taxed to provide a bonus for the parents of each new baby.

The plan should work. For a while, the bachelor will pace hospital corridors with his married pal—hoping Mrs. Pal won't double or triple his tax by producing twins or triplets. Then perhaps he will give up and marry, passing the tax burden along and collecting a bonus on his children.

The French government is a practical government, and the frugal French a practical people!

Mr. and Mrs. Swan Return from Tour

Mr. and Mrs. Joseph Swan, Peoria street, returned home last Saturday from a five-weeks' tour of the East, during which they visited 25 of the 48 states.

Accompanying them home were Mrs. Swan's brother and sister-in-law, Mr. and Mrs. James Ferris, whom the Swans met in New York Mr. and Mrs. Ferris had just returned from a tour of the British Isles. They spent the entire last week with the Swans, returning to their home in Petaluma the last of the week.

Mr. and Mrs. Swan also visited other sisters and brothers of Mrs. Swan while they were in the East.

General Pershing Sewing Club Meets

General Pershing P. T. A. sewing circle will meet at 8 p. m. tonight at the home of Mrs. Sadie Welsh, 553 Hanover.

All members are urged to attend.

Circulation Manager

The Daly City Record added a new member to its staff this week in Harry H. Hollins, qualified newspaper circulation representative. Mr. Hollins has a long record of successful circulation experience. He is taking well to his duties here of keeping present subscribers happy by improving delivery and collection service and of managing new subscriber campaigns.

Death Claims Timothy O'Rourk

A long career of public service was brought to a close Thursday night with the death of Timothy O'Rourk, Mission circle. He was one of Daly City's six original councilmen, deputy sheriff since 1929, and bailiff of Judge A. R. Cotton's superior court since 1935.

Taken ill at court in Redwood City Wednesday, O'Rourk died at Mills Memorial hospital the following night. He was 69 years of age.

He is survived by two daughters, Mrs. Winifred Plath and Mrs. Beulah Schramm, and a granddaughter, Barbara Jean Schramm.

O'Rourk was a native of Sterling, Illinois. He came to San Francisco in 1903 and engaged in the masonry contracting business. In 1907 he moved to Daly City, where he became a prominent builder, taking an active part in the early development of Daly City. He was a member of the board of councilmen for 14 years.

Memorial services were conducted at 8:30 p. m. Friday by his brother officers and members of Colma Vista Grande Aerie 1848, Fraternal Order of Eagles.

Funeral services were conducted at 2:30 p. m. Saturday from the W. C. Lasswell mortuary chapel, with Reverend Clive M. Saiz officiating. Pallbearers were H. H. Smith, A. J. Bodien, A. J. Belton, Henry Sundermann, Julius Twesten and T. J. Moran, all members of the city council during O'Rourk's term of office.

Interment was in Olivet Memorial park.

Prettiest Dog In Pet Parade

It doesn't take more than one glance at "Specks," the friendly dog pictured above, to understand why he was awarded first prize, a gold loving cup, for being the prettiest dog in the pet parade.

It all happened when Mr. and Mrs. G. E. Roots and family, 74 Cavour street, were spending a five-weeks' vacation at Lakeport recently, accompanied by their inseparable companion, "Specks." When the pet parade came along, sponsored by the Marco Pet Food company, and managed by W. F. Rood, business man of Lake county, it seemed the natural thing to do to enter "Specks."

"Specks" took the prize over 76 other entries in the parade by unanimous decision of the judges. His owner, Miss Elizabeth Roots, was awarded the cup in his behalf.

"Specks" is white, with tan and black spots. His hair is thick, has a tendency to curl. Technically he might be called a mixture of Collie and wire-haired Terrior. Off the record he might be called the friendliest dog in town.

Christian Science Lesson-Sermon

"Christ Jesus" will be the subject of the Lesson-Sermon Sunday, August 27, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

The Golden Text will be: "The Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth" (John 1: 14). Other Bible citations will include: "How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth! . . . The Lord hath made bare his holy arm in the eyes of all the nations; and all the ends of the earth shall see the salvation of God" (Isa. 52: 7, 10).

The Lesson-Sermon will also include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy; "The advent of Jesus of Nazareth marked the first century of the Christian era, but the Christ is without beginning of years or end of days. Throughout all generations both before and after the Christian era, the Christ, as the spiritual idea,—the reflection of God,—has come with some measure of power and grace to all prepared to receive Christ, Truth" (p. 333).

Huge Crowd Dances At Night Owls' Party

The Night Owls dance, Saturday night at Lovchen Gardens, Colma, was highly successful, according to officials of the organization. Huge crowds packed the hall and strolled through the surrounding gardens. "A grand time was had by all," seemed to be the unanimous report of the guests.

The Night Owls club will hold a public dance every first and third Saturday evening of the month hereafter, it was announced.

Y. M. C. A. Holds Final Summer Camp

Peninsula Branch Y. M. C. A. is holding its final summer camp, this week, August 20-27, for high school boys, at Jones Gulch, the new Y. M. C. A. camp site. More than 50 boys are registered.

During the same dates, a Hi-Y Training Institute for officers is being conducted at the Marin school for boys. Secretary Bradley reports that work will be started soon on the boys' clubs, major activity of Y. M. C. A. during the winter.

Local Bank Reviews Gains

Manager Carl E. Newman of the local branch of Bank of America reveals that the current business review compiled by the bank's analysis and research department, shows that improvement in retail trade has been well maintained throughout California during July.

Reports of 67 department and apparel stores show that not only did sales average two per cent higher for July this year as compared with the same month a year ago, but that there was a similar gain for the first seven months of this year.

Also, sales of new automobiles in California totalled 17,522 in July, an increase of 24 per cent over the same month last year.

Building activity of all kinds, also reviewed by the bank, is shown as 14 per cent higher in July than in the same month a year ago, although five per cent lower than in June this year.

In residential construction, 11 leading California cities reported permits valued at $6,523,000, which is 1.5 per cent lower than in July, 1938, and 24 per cent lower than in June this year.

Donald Duck to Entertain at Fair

Donald Duck and Clara Cluck, Walt Disney's "heroes" of animated cartoon and radio fame will be characterized by Clarence Nash and Florence Gill at the California State Fair at Sacramento, on Children's Day, Friday, September 1, the opening day.

These are the two artists who provide the voices for the screen and radio presentations of the well-known Disney characters.

Children under 15 are admitted free on that day.

Sew and Sew's Plan Outing

Plans for a meeting at Fleishhacker's club house Thursday of next week, August 31, were made by the Sew and Sew's club of the Crocker P. T. A. at their regular meeting Thursday at the home of Mrs. Jordan.

It was also announced that a past-presidents' meeting will be held at 1 p. m. Thursday, August 24, at the home of Mrs. Mildred Seiler, Evergreen avenue.

The Crocker unit will hold a cake sale Friday, September 1, at the top of the hill. Time and place will be announced next week.

Norwegian Singers In Convention

This week-end will see more than 10,000 Norwegian guests in San Francisco to attend the Norwegian Singers convention from Friday through Sunday, and Norway Day on Treasure Island Sunday.

Fritz Erickson, assistant cashier at Daly City branch Bank of America, and member of the Norwegian Singing society, will participate in a number of convention events. Erickson will entertain his brother, Nils Erickson, a Portland, Oregon, jeweler, and his niece, Mrs. Ada Maeland, wife of the Chief Engineer on the Norwegian liner "Taranger." Erickson and his brother will sing together for the first time in twelve years.

Saturday evening the singing society will stage a grand concert at the San Francisco Opera house. Norwegian events on the Island Sunday will include a second concert, features and special attractions.

Local Marksmen Win Cups, Medals

Two cups and three medals were won during the past month by Ray Ottoboni, Colma, captain of the sheriff's pistol team and Gene Keagle, team member and employee at Milo's market.

Captain Ottoboni won two silver medals at night shoots at the Tamalpais pistol range. Keagle won two cups and a medal in East bay pistol competition. Grant Williams, candy-maker at Daly City Nut shop, is also a member of the pistol team.

Health Certificate Now Required

All persons marrying in California on or after September 19, 1939, must comply with the new California health examination law, Dr. Charles C. Gans, county health director, announced this week.

Every man and woman who steps up to the county clerk's office for a marriage license must submit a certificate issued not longer than 30 days before.

Dr. Gans explained how the law will work:

1. The applicant for a marriage license consults a physician for an examination and blood test. The physician sends a specimen of the blood to a laboratory.
2. The laboratory makes a confidential report of the result of the test to the physician and to the California State Department of Public Health and transmits to the physician the certificate form.
3. The physician completes the certificate form and gives it to the applicant.
4. The applicant gives the certificate form to the county clerk, who then issues the marriage license.

Applicants may be examined by their family physicians, by doctors working in the free clinics, by the medical staff of state and local hospitals, or through arrangements with the health department.

Results of blood tests will be confidential, Dr. Gans pointed out.

WPA Music Project Presents Italian Opera

The Federal Music Project of the Works Progress administration, under the auspices of the Glen Park Community center of the San Francisco Recreation department, will present a free performance of "Bruschino" (Son by Deception), an old Italian Comedy-Drama by Giacomo Rossini.

This entirely free musical event will take place in the Glen Park Community Center auditorium, Chenery and Elk streets, Friday evening, at 8:30 p. m.

On this occasion Walter Lorenz, baritone, will sing the leading role of Bruschino. Other principals include: Muriel Andrews, Louise Cox, Gordon Onstad, Andrew Robertson, Charles Goodwin and Charles Bird.

Job's Council Convenes in S. F.

Including girls from the local Bethel No. 26, Order of Job's Daughters, the San Francisco drill team won first prize on Treasure Island, Saturday, in the competitive exhibition held by the Supreme Council of the International Order of Job's Daughters, convening in San Francisco August 16-18.

Local girls who helped win the cup included Maximae Morris, June Volkman, Muriel Mooney, Earline and Norma Barker. All were smartly dressed in white skirts, white satin blouses and purple sashes. Entered in the competitive drill in the Court of the Nations were teams from as far East as Washington, D. C.

Preceding the competitive drill was a patriotic drill in the California building.

Friday evening the Supreme Council held its installation of officers in the gold ballroom of the Fairmont hotel, beautifully decorated with flowers and palms. Installed as Supreme Guardian was Mrs. Stella Jensen, a resident of Lawndale and well-known in this community. Her daughter and son, Mrs. Josephine Gohl and Mr. Jay Jensen, acted as escorts.

The Order of Job's Daughters is an organization for girls between 13 and 20 years of age who have Masonic affiliation. The Supreme Council, holding its nineteenth annual session this year, is composed of older men and women who act in the capacity of an advisory board. The convention included delegates from all over the United States and Canada

Little Theatre Gets Underway

The Little Theatre movement in Daly City, sponsored by the Recreation office of the WPA, gets underway this week with the announcement that regular meetings will be held from 7 to 10 p. m. Tuesdays and Thursdays in the music room of the Jefferson Union high school. Miss Marie Burton, San Francisco, will be the director.

According to Enid F. Tandy, local Recreation director, a large crowd of prospective students have already signed up, but there is a shortage of male actors. Anyone interested in joining the fun is asked to contact the Recreation office, 101 Parkview avenue or stop down at the high school Tuesday or Thursday evenings. Several plays have already been selected, according to Tandy.

Water Carnival At Jeff Hi Pool

Approximately fifty swimmers will vie for honors at the Daly City water carnival Friday evening at Jefferson Union high school pool. Starting at 7 o'clock the event will be held under the supervision of Coach John Mathews. Andrew Conaty and the Decadeers club, headed by Arnold Panella, are assisting with arrangements for the carnival.

Swim races, relays, diving competition, stunts, and feature entertainment are on the program. Entries for the carnival are now being signed up at the pool office. The committee in charge promises an evening of fun for everyone. Public is invited.

India Medal

The Kaiser-i-Hind medal was instituted in the year 1900. It is bestowed as a reward with no distinction as to sex, race, or position on people who have rendered useful or important service in the achievement of the public interest in India. The name has no reference to the former German monarch. It means emperor of Hindustan and was the title used by the great moguls of Delhi. It was assumed by Queen Victoria in 1877. There are two classes of awards, the first being bestowed by the sovereign and the second by the viceroy of India.

Mrs. R. Grondona and son, Leland, and Mr. and Mrs. A. Ramacciotti, formerly of Colma, spent Tuesday evening with Mr. and Mrs. V. Capurro.

Ko-Kets-Klub Gives Party

The Ko-Kets-Klub entertained two other local clubs, the Dawnbreakers and Night Owls, last Tuesday evening at Lovchen Gardens, Colma. More than fifty club members were present to enjoy games, dancing and refreshments during the course of the evening.

The Night Owls club donated the use of the hall. Each girl was given a gardenia for the party with the compliments of the Geneva Florist.

Two popular members of the Ko-Kets were welcomed back from a two-weeks' vacation at Catalina Island. Two new members, Elizabeth Kerek and Thelma Odiard, and a prospective candidate, Kay Moore, were initiated at the party.

Cattle Imports

Cattle importations from Mexico through the four Texas border ports of entry at Hidalgo, Laredo, Eagle Pass and Del Rio totaled 42,853 head in 1938 compared with 23,745 head in 1937.

Car Taxes

The average motor vehicle operator in the United States last year paid special automobile taxes aggregating $49.06, or 24½ per cent on the value of his $200 car, figures compiled by the American Petroleum Industries committee from official sources show. The total figure looks like the war debt—$1,286,156,907.

Chemical Elements

The substances which nourish the body are quite similar in chemical composition to the body itself. They are made up of from 15 to 20 chemical elements.

avenues, according to Castelan. More than 2,000 small plants were donated to the city by the McClellan Nursery of Colma, for use in landscaping city grounds.

Castelan also reported that WPA funds would be available to defray the cost of a fence around the tennis court now under construction in the city playground at Brunswick and Acton streets. It is hoped that another month will see the completion of the tennis court.

A place will also be provided at the playground for cards, chess, dominos and checkers, Castelan stated.

A large mahogony conference table, measuring 4 by 12 feet, was installed Monday in the council room of the city hall. There were 14 chairs with it, also of mahogony.

ons. The letter reads in part as follows:

" . . . . That before the city council pass upon the purchase of any busses, it is our belief that legislation should first be passed creating a municipal bus system in Daly City, and providing for its regulation. Until such time as this legislation will have become effective, we feel that any action on the part of the city council toward purchasing these busses is premature. . . . "

Resolution No. 677 creates a municipal bus system in Daly City and provides for the purchase of busses which are to be delivered within three weeks. Mayor Selmi announced today that he hopes bus schedules can be started immediately upon their arrival.

Daly City Day

Special events officials at Treasure Island directed a letter to the council Monday evening proposing that October 18 be set aside as Daly City day at the World's fair. Before taking action the council instructed the city clerk to contact all local organizations requesting representatives to attend a council meeting September 12 to discuss plans for such an event.

program that goes into effect September 1, dropping the county from the top classification to the one affecting counties in which the 1930 population of the largest city was from 5000 to 25,000.

Unskilled laborers in the county are to be divided into Class B and Class A, with the $50.70 a month for Class A unskilled laborers just $3.90 less than the previous monthly wage for all unskilled laborers. Class B laborers will be cut $7.80.

Semi-skilled workers will be cut from $65.00 to $61.10 a month, skilled workers from $84.50 to $79.30 and professional or technical workers from $93.60 to $81.90.

$30-Thursday

A county-wide campaign against the $30-Thursday plan which comes before the voters of California at a special election, November 7, was announced Monday by the San Mateo County Citizens Against $30-Thursday. The organization is headed by Henry Witte, Redwood City. The campaign will be handled by a general executive committee.

"Our first care," said Witte, "will be to get people to register. An elector may think he is registered and yet not be. There ought to be between 50,000 and 55,000 names on the Great Register."

MIRTHFUL NEW COMEDY WILL OPEN AT DALY CITY THEATRE TOMORROW NIGHT

Working on the principle that a healthy dose of laughter is the best prescription for a worried world, "The Kid from Kokomo," the new Warner Brothers production which will open at the Daly City theatre tomorrow, is comedy from start to finish.

Pat O'Brien is a fight manager and the type of lovable crook that frequently doublecrosses himself. Joan Blondell is his sweetheart, an ex-bubble dancer whose bubble has burst, and their white hope is Wayne Morris, a husky young blacksmith whom they decide to groom for heavyweight champion. Morris however, has a one-track mind, which is set on finding the mother who left him on a handy doorstep when he was an infant.

Other contributors to the fun are May Robson, Maxie Rosenbloom, Jane Wyman, Stanley Fields, Sidney Toler and Ed Brophy.

But the "Kid from Kokomo" turns the tables on them all by turning out to be a real champ, and foiling their efforts to have him lose fights when they bet against him. He not only wins the world heavyweight championship but his girl and his Mama, and all ends well.

Companion feature on the new bill is "Susannah of the Mounties," famous story of the great Northwest, starring Shirley Temple.

The strictly for fun cast of "The Kid from Kokomo" coming to the Daly City theatre tomorrow is headed by (top) Wayne Morris and Pat O'Brien. (Below) Jane Wyman, May Robson and Joan Blondell make up the feminine contingent.
